

# accounting for tradies

We want to engage with you on a regular basis, not just once a year.

Too busy at the end of the day to attend to “the books” or have other priorities? Milroy Accounting Professionals can take care of all your taxation compliance obligations.

We review your transactions on a regular basis and make sure your ATO lodgement requirements are on time, avoiding those nasty fines and penalties. This also enables us to provide timely advice to ensure you don't pay more tax than you need to.

## Tradie Compliance Package

What's included?

- Quarterly Business Activity Statements
- Annual Financial Statements
- Annual Meeting
- Annual Income Tax Return
- Quarterly Profit & Loss Statement
- Phone and email correspondence
- Regular review of transactions using **MYOB** cloud-based software
