

# self managed super funds

We want to engage with you on a regular basis, not just once a year.

Milroy Accounting Professionals can take the burden out of your SMSF administration requirements. We take the time to explain the complex issues of SMSF compliance in a way that everyone can understand. We review your superannuation transactions on a regular basis to enable us to provide pro-active advice.

## SMSF Compliance Package

What's included?

- Annual financial statements
- Annual taxation return
- Annual audit
- Actuaries Certificate, where applicable
- Annual ASIC fee
- Corporate Trustee annual return
- Ongoing taxation advice
- Regular review of transactions, using
